Associate Members Information

Membership is open to any governmental entity in the North Central Texas council of Government Regional which agrees to terms and conditions of the Cooperation Agreement. Governmental entity will execute the agreement and contributes its share of the operating budget of the NCTRCA. New participants must apply to and be approved by the Board of Directors, which consist of member entities.

The fee scale for member entities of the NCTRCA is an assessment based on the population it serves according to the most recent State of Texas population estimates on a per annum basis.

The make-up of the NCTRCA are cities, regional air facilities, surface transit agencies, school districts, higher education institutions, water districts, and associate members including construction companies and health care systems.

Historical Data

On June 15, 1989, a cooperative Agreement was entered into between nine founding members entities, creating the North Central Texas Regional Certification Agency for the purpose of “jointly” providing certification and other related services for the Disadvantaged/Minority/Women Business Enterprise programs of the participants.
